14. STARTING PROCEDURE

- 14.1 Races will be started using either rule 30.3 (U Flag Rule), or 30.4 (Black Flag Rule).
- 14.2 Rule 30.4 (Black Flag Rule) is supplemented as follows;
- If a general recall is signalled or the race is abandoned after the starting signal, sail numbers will be displayed for at least three (3) minutes on a committee vessel near the race committee signal vessel. A long sound signal will be made when the numbers are initially displayed. A boat whose number is so displayed shall leave the racing area, defined in instruction 14.2(b) before the new preparatory signal. If she fails to do so, she is liable to be scored DNE.
 - Before the starting signal, the racing area is the area within 100 metres of the starting line. After the starting signal, the racing area is the area within an imaginary line drawn 100 metres outside any point where a boat might sail during normal racing and includes the area bounded by marks 1, 2, 3 and 4 at all times when any boat of any fleet is still racing.
 - When the race committee decides that its application of rule 30.4 might entitle a boat to redress under rule 62.1(a), it may decide not to display her sail number and not disqualify her. This changes rules 30.4, 60.2 and 63.1.
 - For the purposes of rule 30.4 a race is 'restarted or resailed' when it has the same race number as a previously abandoned or recalled race, even if the race is resailed on a later date, or is resailed as part of a final series instead of a qualifying series.

15. CHANGE OF THE NEXT LEG OF THE COURSE

A change of the next leg of the course will first be attempted by changing the position of the original mark(s). When this is not possible the course will be reset using one or more change marks (described in instruction 12). When change marks are already in use, the course may be further reset using the original marks. Any action or no action by the race committee under this instruction will not be grounds for redress under rule 60.1(b).

16. ABANDONING A RACE

Under rule 32.1, the race committee may abandon the race because of a major wind shift or irregular winds or when the wind speed drops below five (5) knots (2.5 m/s) as measured by the race committee. Any action or no action by the race committee under this instruction will not be grounds for redress under rule 60.1(b).

17. THE FINISH

The finishing line will be between staffs displaying orange flags on the finishing marks.

18. PENALTY SYSTEM FOR BREACHES OF RULE 42

18.1 Appendix P will apply with the following changes:

- (a) If a first penalty is signalled after a boat has crossed the finish line, a scoring penalty of 10% rounded to a whole number (rounding 0.5 upward) of the number of entries will be added to the boat's score. However, she shall not be scored worse than DSQ.
- (b) Rule P3 is replaced with "If a boat has been penalized for the first time under rule P1.2 and the race is restarted or resailed, the penalty is cancelled, but it is counted to determine the number of times she has been penalized during the regatta."
- (c) Rule P4 is replaced with "An action by the jury under rule P1.2 shall not be grounds for a request for redress by a boat. The jury may initiate a redress hearing and may give redress for an action under rule P1.2 by a member of the jury or its designated observer". This changes rule 60.1(b).

18.2 A boat that has either retired from or been disqualified in a race for a second or subsequent breach of rule 42 shall not compete in that race if it is restarted or resailed. This changes rule 36. For the purposes of this instruction a race is 'restarted or resailed' when it has the same race number as a previously abandoned or recalled race, even if the race is resailed on a later date, or is resailed as part of a final series instead of a qualifying series. If she competes in that race, she shall be disqualified without a hearing and that score shall not be excluded (DNE) and the jury will consider calling a hearing under rule 69.1(a).

This means:

Yellow Flag	Immediate penalty action by boat	After a general recall or a postponement or an abandonment	No action by boat	After a general recall or a postponement or an abandonment
1st	Two turns / 10% (SI 18.1(a))	Can restart	DSQ	Can restart
2nd	Retire (RET)	Shall not restart	DNE	Shall not restart
3+	Retire (DNE)	Shall not restart	DNE Regatta	Shall not restart

- 20.7 Decisions of the international jury will be final as provided in rule 70.5.
- 20.8 To request correction of an alleged error in posted race or series results, a boat shall complete a scoring enquiry form available at the race office.
- 20.9 A list of boats that, under instruction 18, have been penalized for breaking rule 42 will be posted after racing each day.

International Laser Class Association Qualifying and Final Series Formats

1. Introduction

1.1 This addendum applies when boats are divided into fleets to sail a qualifying series and a final series.

2. Qualifying Series

- 2.1 For the qualifying series boats will be assigned to fleets of, as near as possible, equal size and ability.
- 2.2 Initial assignments will be made by a seeding committee appointed by the organizing authority and will be posted by 2000 on the last day of registration.
- 2.3 Where a practice race is scheduled the organizing authority will post a practice race fleet assignment at 0900 on the day of the practice race.
- 2.4 In the qualifying series boats will be reassigned to fleets after each day of racing, except if on the first day only one race is completed. If all fleets have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets.
- 2.5 Reassignments will be made as follows:

	Two fleet format	Three fleets format	Four fleets format
Rank in Series	Fleet Assignment	Fleet Assignment	Fleet Assignment
1 st	1	1	1
2 nd	2	2	2
3 rd	2	3	3
4 th	1	3	4
5 th	1	2	4
6 th	2	1	3
7 th	2	1	2
8 th	1	2	1
9 th	1	3	1
And so on			

- 2.6 Reassignments will be based on the ranking available at 2100 that day regardless of protests or requests for redress not yet decided.
- 2.7 If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All boats will thereafter race in the new fleets.
- 2.8 If four races have not been completed on the last scheduled day of the qualifying series, the qualifying series will continue until the end of the racing day in which a fourth qualifying race is completed.
- 2.9 If at the end of the qualifying series some qualifying series fleets have more race scores than others, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

3. Final Series

- 3.1 Boats will be assigned to final series fleets on the basis of their ranks in the qualifying series.
- 3.2 There will be the same number of fleets in the final series as there were in the qualifying series.
- 3.3 The final series fleets will be, as nearly as possible, of equal size but so that the Silver fleet is not larger than the Gold fleet and the Bronze fleet (where it exists) is not larger than the Silver fleet and the Emerald fleet (where it exists) is not larger than the Bronze fleet. Boats with the best qualifying series ranks will race all final series races in the Gold fleet; boats with the next best qualifying series ranks will race in the Silver fleet; boats with the next best qualifying series ranks will race in the Bronze fleet (where it exists); and boats with the next best qualifying series ranks will race in the Emerald fleet (where it exists).
- 3.4 Any recalculation of qualifying series ranking after boats have been assigned to final series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet.
- 3.5 Different final series fleets need not have completed the same number of final races. The boats in the Gold fleet will be ranked highest, except for a boat disqualified from a final series race under rules 5 or 69.
